

SILK-FINISH

100% mercerized cotton

Insist on the best.

Have we got a fabulous thread for you: Mettler Silk Finish, the ideal cotton thread for quilting and embroidering.

Don't be fooled by its soft exterior – its real strength comes from within. Mettler Silk Finish is made from long-staple mercerized Egyptian cotton. That makes it extra strong, resistant to abrasion and breakage and unaffected by high temperatures. The result: Mettler Silk Finish of-

fers excellent sewability and is a dream to work with – by machine, as well as by hand. It's also recommended for the most varied quilting techniques. Make sure you insist on the best: with Mettler Silk Finish, quilting and embroidering are an art that you'll master with ease.

For product details, see inside.
