Great Lakes Ice Cream
& Fast Food Association

GLICA&FFA OFFERS BIG REWARDS:

Founded in 1967, the Great Lakes Ice Cream & Fast Food Association (GLIC&FFA) is a premier organization of the ice cream, frozen yogurt, and fast food businesses. As a not-for-profit association, our members consist of small and large store operators along with distributors and manufacturers in our industry.

Together, our goal is to promote a stronger industry by sharing ideas, problems, and mutual concerns. With your support and involvement, we will grow even stronger.

As a member, you can better run your business, and gain access to comprehensive programs and services. Here are some of the benefits available to GLIC&FFA members:

Annual Convention & Trade Show

Held each year in early February, our trade show is the largest two-day retail ice cream and fast food trade show catering just to ice cream and fast food operators. Supplier members showcase the latest equipment, products, and supplies needed for your new season. Planned social events give you an opportunity to network with fellow operators and suppliers.

Educational Seminars

Educational seminars keep you informed about issues in the industry. Past seminars have also included hands-on demonstrations and ice cream cake demonstrations.

Ward J. Anderson Scholarships

Established in 1990, in honor of our founder and first association president, Ward Anderson, GLIC&FFA offers scholarships totaling \$10,000 to employees of our members. This benefit assists members in attracting the best workers in a tight labor market.

Newsletters

Newsletters are published quarterly and are full of timely articles, training posters, and information that is pertinent to our industry.

(Benefits continued on back panel. . .)
