How should check be made out for funds to be directed to the correct account at the above organization? (memo?)

Second Choice for dates of your Fundraiser (select one)	May 7-10	May 14-17	May 21-24	June 4-7	June 11-14	June 18-21
Office use only: Date rec'd: _____	Dates assigned: _____		Date Confirmed: _____			

Note: we will prepare a personalized Invitation for your group to distribute once we receive your registration materials. It will show the dates you have been assigned, above. We will try our best to assign your first choice, however we assign on a first come-first served basis. Your group will receive 10% of the pre-tax purchases made by individuals who present your group's personalized Invitation at the time of purchase and during your assigned dates. There will be NO exceptions to this policy! A check will be sent within 2 weeks to the organization's name and address as indicated on the registration above. Make sure that we know how we should designate in the memo area of the check the correct account for your group (i.e. the 9th Grade Science Club account)

Please make sure your group understands that this is NOT a 10% discount for your supporters-rather we will donate 10% of the total of the pre-tax purchases made by your supporters back to your organization! (ex. the customers' sale totals \$121.50 including tax. The subtotal before tax is \$112.50 for which your group earns 10%. So your group earns \$11.25 for that purchase.)

Please respect our regular customers by not soliciting them to participate in your event in the general vicinity of our garden center.
