

Country Way Garden Center's Gift Card Fundraising Program

Our Gift Card Fundraising Program is a great way to earn some quick cash for your nonprofit club/organization. It's perfect for groups that are active and needing funds at times during the year that don't necessarily coincide with the peak shopping seasons for gardening and landscaping products. It's also a great way for your supporters to help your group, even if they are not gardeners, because they always have occasions to give gifts to their family, friends, neighbors, coworkers and others! Country Way Gift Cards make great gifts for so many occasions, too (ex. New Baby, New Home, Congratulations, Mother's Day, Father's Day, Birthday Gifts, Boss's Day, stocking stuffers, etc.) Gift cards sell themselves and there are no hassles! Your club will make 20% of the face value of the gift cards it sells!

Here's how it works:

- your club purchases the gift cards at 20% OFF the face value
 - they come in a \$20 denomination
 - there is no expiration date
 - they can be used the same as cash at our garden center for retail cash & carry purchases. (*see note below)
- your club can return any that are not sold within 14 days
- you can decide if you want to take pre-paid orders or have a supply you've pre-purchased available for immediate delivery to your supporters.

Note: These specially marked Gift Cards purchased through our Fundraising programs are redeemable for retail purchases only. They cannot be used for paying invoices, previous purchases, landscape services, special orders, hardscape products, delivery charges, or wholesale purchases. They are not redeemable for cash and will not be replaced if lost or stolen. Gift Cards must be paid for at the time of pick-up.
